EDUCATION

Shanghai Advanced Institute of Finance, Shanghai Jiao Tong University *2023 - present*

- Doctoral Student in Finance

The School of Economics, Zhejiang University *2019 - 2023*

- B.S. Finance, School of Economics
- Major GPA: 3.94/4 Rank: 2/40

RESEARCH INTERESTS

Empirical Asset Pricing · Macro-Finance · International Trade

My research focuses on (1) how international trade shapes local economies, politics, and financial markets and (2) how artificial intelligence affects labor market frictions and Implications for Asset Pricing.

PUBLICATIONS

"Commodity Networks and Predictable Returns," with Qi Xu, *Journal of Futures Markets*, 2023, 43(10) 1423-1449.

WORKING PAPER

"In Search of Common Factors in Commodity Markets: A Latent Factor Perspective" with Yufeng Han, Qi Xu and Pengcheng Zhou

- *Revise and Resubmit,* ***Management Science***
- Presentation at CFAM 2024, China Derivatives Youth Forum 2022, ICFOD 2022

"Global Trade, Local Jobs, and the Rise of Trump 1.0" with Jun Pan and Jiatao Liu

- Presentation at Fudan International School of Finance.

"Extrapolative Commodity Returns" with Zhe Wang and Qi Xu

- Presentation at XJTLU

WORKING IN PROGRESS

"Imperfect Labor Substitution: Implications for Asset Pricing" with Yongqi He

MATHEMATICS AND PROGRAMMING SKILLS

PhD Lessons	Financial Economics (FEC) (100 in exam), Asset Pricing Theory (96), Microeconomic(95)
Programming	Python, MATLAB, STATA, R, MySQL
Mathematics	Calculus(91), Linear Algebra(87), Advanced Probability(91), Advanced Mathematical Statistics; Random Process(96), Ordinary/Partial Differential Equation(93); Real Analysis(85), Measure Theory(83), Multivariate statistics(87)
Writing	LaTeX (Including Acticle, Beamer, and Resume)

EXPERIENCES

Summer School Participation *2025.6-2025.7*

- Princeton Initiative 2025 Macrofinance Online Summer School
- Organized by Markus Brunnermeier.

Teacher Assistant *2024-*

- Asset Pricing Theory, PhD Course (Prof. Junxiong Gao)
- Financial Economics, PhD Course (Prof. Jun Liu)
- Derivatives Security, Statistics Analysis Methods (Prof. Junxiong Gao)
- Fix Income Security (Prof. Yurong Hong)
- Financial Markets (Prof. Yu Li)
- Principal of Finance (Prof. Zhipeng Yan)

Part-time Research Assistant *2022-2023*

- Work with Prof. Danqing Mei
- Cheung Kong Graduate School of Business
- Responsibilities: Conventional RA works including literature reading and presentation, row data cleaning, variables selection and empirical test.
- Familiar with popular database like CRSP, Compustat, IBES.

FUNDING PARTICIPATION

Empirical Study on Commodity Asset Pricing Based on Extrapolation Bias *2024*

- General Program of National Natural Science Foundation of China.
- Student participator

Empirical Research on Commodity Asset Pricing Based on Machine Learning *2023*

- Youth Natural Science Foundation exploration project in Zhejiang, China.
- Student participator

AWARDS, FELLOWSHIP AND SCHOLARSHIP

Provincial Outstanding Graduates *2023*

Zhejiang Provincial Government, China

Provincial Government Scholarship for Outstanding Students *2021*

Zhejiang Provincial Government, China

Academic Scholarship for Outstanding Students *2020, 2021, 2022*

Zhejiang University

Second Prize of National Mathematics Competition *2020*

China Mathematics Association
